SCHOOL QUESTIONNAIRE

Dear Parents,

At St Oswald's school we are constantly reflecting and evaluating our provision and practice to help us to keep moving ourselves forward and improving. Your views and opinions are very much part of our evaluation process and are important to us. We want to ensure that our school works for our children, staff and school community.

Next week I shall be sending home questionnaires which I hope you will be able to complete and return to us.

Your views and thoughts will very much help us to shape our school as we move through these challenging times this year and beyond.

Thank you in advance for your time and help.

Miss H T Lennon
Head Teacher

Operation Christmas Child

For the last few years, St Oswald's have supported 'Operation Christmas Child' (Samaritan's Purse). This year we would like to do the same. However, we are unable to offer a venue for collection due to the Coronavirus pandemic.

If you want to find out how to support this charity this year, please find details via:

www.samaritans-purse.org/what-we-do/operation-christmas-child/ways-to-give.

POPPY APPEAL

Once again this year St Oswald's will be supporting the Royal British Legion Poppy Appeal. The Royal British Legion works hard to offer support to serving and ex-service men and women and their families.

Unfortunately, due to Covid 19 we will not be able to lend our support in the usual way by selling poppies and other items to the children in school.

However, the children will be creating their own 'Poppy Artwork' in school which they will bring home to be displayed in the window to show their support and if you wish you can make a donation of £1.00 via your ParentPay account which we will pass on to the British Legion.

Thank you for your support.

Classroom Ventilation

In order to keep rooms well ventilated in school in line with DFE guidance windows and doors are left open as much as possible to ensure fresh air is flowing through our school.

As the weather is now turning colder, can you please ensure that children have their jumper/cardigan in school every day.

All children should also bring a coat with them to school for break times outside. Hats scarves and gloves may also be good to help children keep warm when playing outside.

Stars of the Week

This week the following children have been celebrated for their achievements...

Reception	Henry Bird & Danielius Kniska
Year 1	Max Bilbao & Bethany Birchall
Year 2	Charlie McKillop & George Dewis
Year 3	Ted Buchanan & Charlie O'Connor
Year 4	Sophia Tyler & Harry Parkin
Year 5	Sebastian Addison & Olly Horton
Year 6	Lily Hughes & Luke Armstrong

Well done to all our stars!

PEDESTRIAN SAFETY—CAR PARK

REMINDER

We ask that parents take extreme care when reversing on the car park at drop off and pick up times.

Can children and families who walk to school please follow the designated footpath to school. The footpath route starts at the large tree in front of church, round the side of church to the zebra crossing and from there to your designated entrance.

For everyone's safety please avoid cutting across the car park or walking up the drive as these areas are very busy with traffic at these times of the day.

As in previous years, we would like to show our support for the Warrington Foodbank who help families in our community at times when they most need it.

We will not be collecting items in school this year, however we would like to encourage our school community to help the foodbank either by donating directly to the foodbank or leaving items in the collection baskets in supermarkets.

More information on how to donate can be found at:
