Dear Parents/Carers,

CORONAVIRUS/COVID 19 UPDATE

As you will be aware advice on the Virus is changing daily. We are working closely with the Local Authority, DFE and Public Health England and receiving daily updates.

As the country is now on the point of moving from the “containment” phase to the “delay” phase the school is putting plans in place in case we are instructed to close.

We are currently checking that all children have their passwords to access our on-line curriculum learning sites: My Maths, Purple Mash, Espresso and Times Table Rock Stars. We will be providing home study books free of charge for Year 6 and Year 2 children to work in at home to help them to continue with their preparations for their SATS in May. We will also provide Year 1 will Phonic resource books to help them prepare for their phonics test in June.

In the event of a closure, curriculum updates for all classes will be posted on the school website www.stoswaldscatholicprimary.co.uk

We are also asking all parents to update or confirm their personal information in case we need to contact you during a closure. Tomorrow you will be receiving a copy of your child’s profile from our school information system. Please check and confirm that this information is correct by signing and returning the sheet or make any amendments as necessary. We ask for this information to be returned to us immediately.

For now we are being advised to remain open and will do so unless we are otherwise instructed to close. We will of course keep you updated of any further developments as soon as we are in a position to do so.

In the meantime, as we have all been instructed, please continue with good hygiene as a preventative measure and ensure the guidance on regular, thorough hand washing is followed. If you have any medical concerns, please contact the NHS 111 service.

Please be assured that all actions and decisions I take on behalf of our school will be made with the very best intentions for the health and safety of our children, your families, staff and all within our school and local community.

Yours sincerely,

H T Lennon
Head Teacher
