To: All parents of children due for admission to school September 2021

Dear Parents/Guardians,

We are delighted that you have been successful in securing a place for your child at St Oswald's Catholic Primary School and on behalf of Governors and staff I would like to extend to you a very warm welcome to our school family.

It would be our normal practice at this stage to invite you to a number of induction meetings to introduce you and your child to the school and provide you with all the information you will need before your child joins our Reception class in September. Although we are slowly and cautiously coming out of covid restrictions nationally, we currently still do remain in uncertain times and the school continues to operate under covid secure conditions. For this reason we will again this year be unable to hold our induction sessions in person and will be using alternative methods of sharing information and introducing you and your child to our school. I will contact you again soon with more details of how we propose to do this.

Our Reception Class Teacher, Miss Morris, will be contacting your child's nursery/pre-school setting over the coming weeks and where nurseries permit it, she will arrange to visit the nursery towards the end of the summer term to introduce herself to your child and get to know them.

Please be assured that although we are unable to meet in person at the moment, we are still very busy preparing for our new intake of children for September and very much look forward to meeting the children and their families.

To ensure that we have the most up to date contact information for you, I would be grateful if you would please complete this short [google form](#).

Once again, I welcome you to St Oswald's and look forward to meeting you in person as soon as we possibly can.

With my very best wishes,

H T Lennon
Head Teacher
