Reception News

The children have had great fun this week with the story 'The tiger who came to tea'. We have been making tea in our role play kitchen, washing the dishes and even pretending to be the tiger visiting! I have seen some wonderful imaginative play throughout the week!

Next week we will be having a very busy week as we begin to learn about the Autumn as well as celebrating World Animal Day on Monday and taking part in our whole school Judaism Week. It will be a fun week with lots of new things to learn!

On Thursday next week the children will receive their first school reading books and Reading Record. They will be in Reading Folders inside your child's book bag. The children are very excited and are trying very hard in our daily Phonics sessions. You can find out more information about reading on the school newsletter this week and I will provide further information next week.

I hope you and your families have a wonderful weekend.

Miss Morris
