

Year 5 Class News 11th October to 18th October 2021

Year 5 have had a lovely week this week in school, they have worked so hard and I am so proud to see such independence in their learning.

It has been wonderful for the children getting back into the dinner hall for lunch this half term, where they have been able to enjoy not just one choice of hot dinner but a selection of choices and with seconds available too. I had the pleasure of joining children in the dinner hall on Friday and it was delightful seeing the children enjoy their meals, relaxing and sharing discussion. I was impressed by their good table manners and also how they were able to clear up after themselves.

We are looking forward to a fabulous final week of the half term next week.

Thank you to all of our parents, carers and grandparents for supporting the children this half term. A big thank you also for all the efforts who have made to send the children into school so smart in their school and PE uniforms to get our school year off to a great start.

Thank you,
Mrs Foy
