

## Year 5 Weekly Blog Friday 1<sup>st</sup> October

What a busy week we have had in Year 5 this week!

The children are getting into school promptly, despite the bad weather, and organizing themselves to begin a busy day of learning. They have enjoyed practical science in class, creating fair tests and all the children have enjoyed being scientists.

A Key Stage 2 Celebration Assembly was led by Mrs Neiland - all of the classes demonstrated quiet respectful listening as our stars were celebrated and the singing was beautiful. It is such a pleasure to see and hear school life returning to normal.

I would like to congratulate the Year 5 "Stars of the Week"

Michael Mannion and Heidi Ng !

The children have thoroughly enjoyed starting back at their after school clubs: Choir, Art, Football, Book Club and Gardening. Thank you to parents for supporting the children in sharing with us an enriched school experience.

Mrs Armitage and I would like to congratulate the Children in Year 5 who have taken their First Communion in the last couple of weeks. As a whole class this afternoon, we have celebrated our Catholic Faith outside in our outdoor learning classroom - enjoying a deliciously tasty cake, crisps and juice !

Another busy and positive week in school. Here's to another exciting and 'full on' week next week!

Thank you all for your support this week. Mrs Foy
