

Reception News

Friday 19th November 2021

Our Reception Superstars are always very kind so this week they had lots to talk about in our work for Anti-Bullying Week: One Kind Word. The children shared acts of kindness and kind words and then drew pictures of themselves being kind in a heart shape. We then made a 'kind' sign using our hearts to show that we promote kindness in our class. A photo has been shared on Evidence Me, take a look and be very proud of our kind children!

The children have had a very busy week and it is going to be another busy one next week. We are going to begin our learning about night time and shadows, and are going to be investigating how to make shadows and how to change their shape and size. Also we will be learning about road safety and how to be a safe pedestrian.

I hope you are all enjoying the photos, videos and comments that I share on Evidence Me. If you wish too, you can write comments back and these are added to your child's online journey and shared with your child. It is always lovely to receive feedback from parents and the children are always thrilled to hear it too. Also you can use Evidence Me to add your own photos of experiences and WOW moments (e.g. riding a bike, zipping up their coat, baking) your child has with you at home. If your child wishes to, we can share them on the big interactive whiteboard in class.
