

# St Oswald's Year 2: Weekly Update

1st - 5th November 2021

We have had another busy week in Year 2 as we work our way through our 'Touch The Future' curriculum that we follow in St Oswald's. We have been learning and honing our skills across the subjects. Here is a snippet of what we have been working on this week:

## Bonfire Night Art:

This afternoon the children enjoyed creating firework art. They first had to sculpt pipe cleaners into a firework stamp before creating the wonderful firework explosions on their black sugar paper. Unfortunately they were still too wet to send home today but I will make sure they get to go home next week.

Art:

The children had a sewing taster session this week, where they learned how to thread a needle and do some simple stitching into felt.

PE:

This week we began gymnastics in PE. The children were learning three new positions; pike, straddle and star. They tried different ways of performing them; standing lying down or sitting,

English / Reading:

This week we started our new class reader: *Monster: An Owner's Guide*. The children loved looking at all the different monsters and had fun pretending to become employees of Monstermatic Toy Co. Where they had to reply to emails and questions.

Stars of the week:

A **HUGE** congratulations to our stars of the week this week Evie L and Harry! You are both superstars!

I hope you have all enjoyed reading and questioning the children on their new books and once again I thank you for all you have been doing with your children at home.

It has been great working with the children this week and I look forward to more fun learning next week.

All the best,

Mr Coppenhall
