

St Oswald's Year 2: Weekly Update

18th - 22nd October 2021

We have had another busy week in Year 2 as we work our way through our 'Touch The Future' curriculum that we follow in St Oswald's. We have been learning and honing our skills across the subjects. Here is a snippet of what we have been working on this week:

History:

This week we concluded our topic on the Great Fire of London, with a discussion titled "Who was to blame?" The children came up with loads of thoughtful and relative answers. We also tea stained our Samuel Pepys diary extracts to go on display!

Science:

We've had a fun Friday afternoon looking at how materials can change. The children talked about how bread can turn into toast before observing these changes and attempting to build a structure out of toast blocks, glued together with egg and milk mix. They did some egg-cellent work!...

PE:

The class had another session on static balance this week but with a spooky theme! Here are some of the brilliant poses that the children were doing in the warm up.

Firework safety:

We were visited by PCSO Tom this week, who came in to talk to the children about firework safety. Year 2 showed excellent understanding and listening skills. I was very impressed with them!

Stars of the week:

A **HUGE** congratulations to our stars of the week this week Freddie and Isabel K! You are both superstars!

Well done also to our newly elected school councillors; Max and Jessica! Year 2 held a class vote on Wednesday with Max and Jessica receiving the most votes!

I hope you have all enjoyed reading and questioning the children on their new books and once again I thank you for all you have been doing with your children at home.

It has been great working with the children this week and I look forward to more fun learning next week.

All the best,

Mr Coppenhall
