

Year 3 Class News – 22nd – 26th November 2021

We've had another busy week here in Year 3, and have started to rehearse our Christmas Production. Rehearsals are going well and children are very excited to demonstrate their acting and singing skills. Letters confirming details of your child's role in the play went home on Thursday.

In English, we have been looking at 'Explanation Text's discussing their features and learning to write accurate and effective sentences, which will be used in our final piece of writing. We are using a book called 'The Street Beneath My Feet' which has given us some fantastic ideas on how this type of writing should be structured. We are continuing to read our class reading book 'Charlotte's Web' and are enjoying listening and talking about the blossoming relationship between Charlotte and Wilbur.

Last week in Design Technology we enjoyed making and most importantly tasting, a seasonal fruit crumble. We have been learning about where our food comes from and have talked about the importance of eating both healthily and seasonally when possible. This week we began to plan a simple recipe on how to make a seasonal vegetable tart. No doubt we will enjoy tasting that too!

We must also congratulate our Star of the Week, Elyse, our Super Speller, George, and our Mega Mathematician Duncan! Fantastic, well done!

Polite Reminders:

- Christmas Production Costumes should be sent to school, fully labelled by Friday 3rd December.
- Big Maths, Spelling, and Reading Pockets should be sent to school every day so they can be updated promptly.
- Please continue to support your child with their reading at home. We expect children to read every night at home for 15 minutes. Anyone reading up to three times per week with reading records completed will earn one smiley, and anyone reading six times or more can earn two.

Enjoy the weekend,

Mrs Gambles
