

Year 5 Class News 8.11.21 – 12.11.21

This week Year 5 have had a wonderful week. The children have continued to work hard and demonstrated independence.

The children have enthusiastically created cinquains in poetry; incredibly creative, using their Cinquain poems to represent different settings from our lovely class reader "This Morning I Met a Whale".

Also as part of our Remembrance Day learning, the children created emotional and thoughtful cinquains.

This week as part of our RE work we have had the opportunity to learn more about Hinduism. Year 5 were able find out more about the Hindu Gods and showed their amazing artistic skills in recreating the beautiful colours in their illustrations.

We must also mention that this week was maths week! We had great fun in maths sorting natural objects from our gardens using mathematical methods whilst enjoying our outdoor classroom.

This weekend marks Remembrance Sunday, when people across the UK honour those who have lost their lives in war.

Thank you for supporting your children in the sale of Poppies and red poppy related items to commemorate the people who have lost their lives in war. St Oswald's school fell silent at 11am on Thursday 11th November in tribute.

Have a peaceful weekend and I look forward to lots more exciting teaching next week.

Mrs Foy
