

Y6 Class News 29th November-3rd December 2021

Wow, it's December already, I can't believe how quickly this term is progressing!

On Monday, this week, the children in Year 6 were privileged with a visit from a local artist Tina Ramos Ekongo. Tina is an Equatorial Guinean figurative visual artist and illustrator and she worked with all of the class showing them how to sketch portraits. She gave them tips and techniques for drawing tricky facial features and the children produced some great art work that they took home. Tina is exhibiting her own art as part of the 2021 Warrington Contemporary Arts Festival, at the Pyramid Centre. The exhibition is free to attend and continues until 17 December 2021 (Mon-Fri). The children thoroughly enjoyed this wonderful experience and we would like to thank Tina for sharing her wonderful talents with our class.

The school has been peppered with slices of bread as part of our science experiment this week. We are investigating the best conditions for encouraging mould to grow and the class have hidden slices in some unusual places with the intention of observing what happens over the next few days. I just hope that no one intends to play the piano this week as one keen scientist thought that the piano keys would be the perfect environment for mould growth.

We have also been rehearsing our Christmas performance but with all the other exciting lessons that we do each week we don't have too much time to dedicate to rehearsals. I would politely request that you encourage your child to learn their lines and practise acting those lines with a loud and clear voice. I know that you will be delighted when you attend their performance, in Church, next Wednesday. There are a number of protocols to follow and there will be stewards, from the Parish, to assist you once you arrive. The children need to bring their costumes in to school, by Tuesday, for a full dress rehearsal and they will bring them home, on Wednesday, so that they can come to church already dressed. If you do have any difficulties with the costume requirements, please let me know as soon as possible.

Have a fantastic weekend everybody,

Mrs Crook
