

Y6 Class News 17th January to 21st January 2022

This week we have seen an increase in the number of positive cases of COVID in Year 6. If your child has to isolate they can access work that is uploaded to Google Classroom for them to complete, should they be well enough, and I have added a suggested timetable below.

Remote Learning Timetable:

9.00-9.30am	Joe Wicks (YouTube) or Go Noodle
9.30 – 9.50am	Reading
9.50–10.50am	Maths (Google Classroom)
10.50-11.00am	Break
11.00-12.00pm	English (Google Classroom)
12.00-12.15pm	Times Tables (TT Rockstars)
12.15-1.00pm	Lunch
1.00-1.45pm	Topic
1.45 – 2.00pm	Topic

The hard work continues in Year 6 and this week has been no different. We have started English work with our class reader of Harry Potter and the Philosopher's Stone. I would like to show the children suitable clips from the movie but as it is a PG I would like your permission before doing so. If you have any objections to your child watching these film clips please email at y6@stoswaldscatholicprimary.co.uk and I will adjust my plans accordingly.

We have continued our Evolution and Inheritance topic, in Science, and this week we investigated natural selection. We learned about the peppered moth and how the population increased or declined depending upon the pollution created by humans. We then completed a task by creating our own moth, those that were camouflaged best of all avoided the predators. Can you find these moths in these pictures?

In other news, we have two boys in class who were the first to complete a 'Double Daily' (2 miles around our Daily Mile track). Congratulations Ollly and Luke for this fantastic achievement!

A great weekend,

Mrs Crook
