

Welcome to Year 2!

I hope you enjoy looking at the pictures. 😊

Year 2 have had a wonderful start to the year, and we have thoroughly enjoyed working with your children and getting to know them.

We have started our class reading and writing text, 'Look Up!' by Nathan Bryon and enjoyed predicting what the story will be about. We have also had fun listening to stories and poems at the end of the day.

In science we enjoyed getting out in the school garden to think about living things at the start of our habitat topic.

As we move towards Autumn we have tried to make the most of the good weather and enjoyed PE lessons outside!

It has been brilliant to see reading records signed every night for so many of the class, reading at home is such a great way to build confidence, fluency and a love of books.

Thank you for all that you do to help and support your child's learning. 😊.

Mrs Thomason and Mrs Birchall
