Reception News

What a super week we have had in Reception! They have enjoyed learning about the wonderful world, developing early writing skills and have enjoyed plenty of exercise on our tyre park. The children are doing very well with their daily routines and are becoming increasingly independent. They have also been doing a fantastic job eating their lunches! Well done Reception for another lovely week!

Painting what God created

Mark making!

Practising our fine motor skills by drawing circles and lines

We are learning why it is important to wash our hands.

Reminders to help our setting run smoothly:

*Please ensure your child has a healthy snack each day.

*If you haven't already sent wellies in, please do so as soon as you can.

*Leave key rings for bags at home - we have story time with book bags out ready for home time and these lovely key rings do distract the children.

*Make sure everything that you can label (even shoes) with your child's name to prevent any upset.

Thank you for your continued support.

Miss Morris, Miss Berger and Miss Appleton
