Reception Weekly News

What a lovely week in Reception! The children have enjoyed learning outdoors, exploring objects from the past and sharing ideas about what they might have been used for. We have also introduced two telephones into our home corner, encouraging lots of imaginative play and conversations. Well done Reception Superstars for another fabulous week!

We found things shorter and taller than ourselves!

Phonics

Thank you to all parents who attended the Phonics Meeting this week. The Powerpoint has been shared on Evidence Me for you to view at your leisure. For further support, visit Little Wandle's website which has a brilliant parent section with videos and helpful tips www.littlewandle.org.uk/resources/for-parents.

How to help your child

We have been focussing on saying 'Hello' and 'Goodbye' during our pretend telephone conversations to show that we are being friendly. Encourage your child to say hello and goodbye when they visit people with you and maybe even when they arrive and leave school at the beginning and end of the day.

Date for your diary

Reception Welcome Service - all are welcome for the children's first service with Father Dave in the school hall Friday 9th October at 2:30pm.

Have a wonderful weekend

Miss Morris and Miss Berger
