

Welcome to Year 1!

Thank you to everyone who visited the Year 1 classroom last Monday. It was a pleasure to meet you, and lovely to see the children so keen to show you around their new learning environment.

The children have made a very positive start to the new school year and are settling in well. They are learning new routines and expectations and have approached this with great enthusiasm and maturity.

We are currently assessing reading levels, and reading books will continue to be sent home each Monday and Thursday. As in Reception, we encourage you to read with your child every day - this plays a key role in supporting their overall development and learning.

Next week we will introduce our homework routines for Reading, Spelling, Maths, and English. Homework will include both written tasks in books and online learning activities. Instructions and updates will be communicated through Google Classroom once it is up and running. We will notify you once this is set-up fully.

Here are a selection of photos showing some of the activities the children have completing in Year 1.

If you have any questions or concerns, please don't hesitate to speak with me at the door, or contact me via the school office on teachers@socps.co.uk

Wishing you a lovely weekend,
Mrs Gambles
