

Year 4 class blog W.C 14/9/2026

A very warm welcome back to school, and welcome to our Year 4 class blog! I'm so excited to be starting another year with this lovely bunch after such a fantastic year together in Year 3. It's wonderful to have them back, and I'm really looking forward to seeing how much they grow over the year ahead. We've got so many amazing things planned for Year 4. Make sure to check in with our blogs to see what are getting up to in class.

A few reminders for the year ahead:

Homework will stay on the same days as last year. English and spelling homework will go out on Wednesday and should be returned on Monday, following with our spelling test. Maths homework will go home on Tuesday and should be handed in on Friday.

Reading regularly at home is incredibly important. Please encourage your child to read their reading book regularly and discuss what they have read with you. Even a little reading each day makes a big difference!

Times tables are also a big focus in Year 4, so please keep practising at home. TT Rockstars is a great way to make this fun, and regular practice will really help the children build their speed and confidence.

Please see below some pictures of what we have been getting up to so far! Kind regards, Miss Jones.

Practising our
hockey skills
in PE.

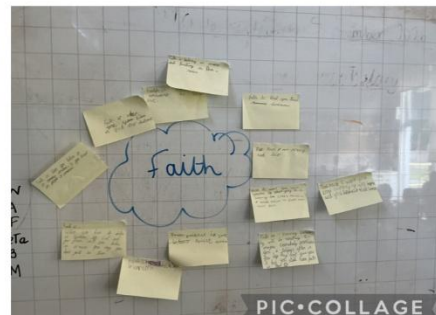

In science
we
investigated
the human
digestive
system with
a pretty
disgusting
experiment!

The children did really well sketching sweets using shadow. This made us very hungry!

In RE we talked about the difference between faith and trust, and we acted out God's covenant with Abraham.
