

Year 4 Class Blog - 2.10.2026

It has been another busy and exciting week in Year 4, with lots of fantastic learning, new experiences and plenty of opportunities to work together as a class. It has been lovely to see the children settling into their routines and showing such enthusiasm for all the activities we have been getting up to.

Our swimming lessons have now officially started, and the children have made a fantastic start! They have been developing their confidence in the water, practising their swimming skills and learning how to stay safe in and around the pool. It has been wonderful to see the children encouraging and supporting one another, and many of them have

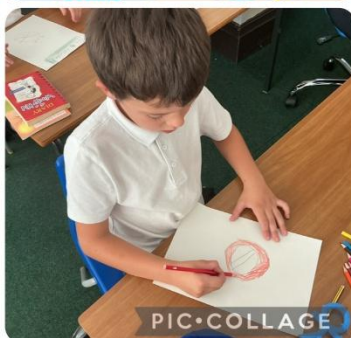

already shown great progress. We are looking forward to seeing how their confidence and abilities continue to grow over the coming weeks!

We are very excited to finally have our updated and improved class library up and running! The children have been absolutely loving exploring our new selection of books and choosing books that interest them.

A huge thank you to Tesco for the kind donation of new books to our class. We are incredibly grateful and the children are thoroughly enjoying some of the current authors!

We are passionate about encouraging a love of reading in Year 4 and we hope our reading corner will inspire lots of reading adventures throughout the year!

Please try to listen to your child read each night and add a small comment into their reading record.

In Science, we have been learning all about teeth. The children became detectives as they looked carefully at the teeth of different animals and explored how their teeth can give us clues about what they eat.

We also had an important assembly this week all about allergies and allergy awareness. We learned about what an allergy is, why it is important to take allergies seriously and how we can help to keep our friends safe. Following the assembly, the children created their own allergy awareness posters, sharing important messages and reminders with others.

Kind regards.

Miss Jones
