Nursery Weekly News

What a fun week in Nursery! The children have explored pets, created with shapes and practised big circular movements while washing windows and dishes. Wonderful learning through play! It has been a brilliant week - well done little stars!

How to help your child

Draw anticlockwise circles in different ways to help your child develop their early writing. Make circles with pencils, chalk and paintbrushes or use sponges just like us!

Date for your diary

Mon 12th/Wed 14th and Mon 19th/Wed 21st - Nursery Parent Meetings.

Have a wonderful weekend

Miss Morris, Mrs Fitzsimmons Miss Makin and Miss Appleton
