Nursery News

We've had a lovely week! The children enjoyed rolling balls towards a target, developing their aim and coordination. We explored cats, learning about how they look, how they move and the sounds they make. We also had lots of fun making music, exploring different sounds and rhythms to match how we feel. Well done, Little Stars, for another wonderful week of learning!

Rolling a ball towards and through a target

Making music that makes people feel different emotions

We went on a leaf hunt!

Cleaning like a cat

"he licks round his mouth like this"

"a cat's smaller than me, I don't fit on here"

sitting on a chair like a cat

talking about different parts of a cat

"he's got big ears"

How to help your child

Sing songs with your child in different ways and model vocabulary - *loud, quiet, fast, slow* when making music together. Encourage your child to listen, repeat words and have a go at saying them in a sentence modelled by you. Example: Twinkle, Twinkle little star is quiet and slow.

Dates for your diary

Mon 19th/Wed 21st - Nursery Parent Meetings

***Meetings that were due to take place on Mon 12th/Wed 14th October were unfortunately cancelled. The school office will be in touch soon to rearrange for after the half term break.*

Friday 23rd October: School closes for half term

Have a wonderful weekend
