Reception News

What a week of super learning! The children have loved PE and exploring our outdoor provision, developing their physical skills and working together. In maths, the children have been practising counting and representing amounts in different ways. Computing lessons have been fun, learning to follow instructions in the correct order while washing hands. Well done, Reception superstars!

How to help your child

Maths: Practise counting everyday objects, such as toys, stairs or pieces of fruit. Can your child show an amount using their fingers?

Following Instructions: Encourage your child to follow the steps for different things independently e.g. putting on their shoes, talking about what comes first, next and last.

Thank you for your continued support!

Dates for your diary

*Monday 19th and Tuesday 20th October: Parent Meetings

*Friday 23rd October: School closes for half term

Have a great weekend

Miss Morris and Miss Berger
