Reception News

What an amazing week we've had in Reception exploring the festival of Diwali! The children have loved learning about the celebrations and traditions through dance, stories and activities in the continuous provision. The children ended the week with a Diwali celebration! They've also been busy developing letter sound recognition and letter formation through lots of fun activities in our provision. It's been a wonderful week of learning! Well done Superstars!

On Wednesday the children took a moment to reflect on Remembrance Day. They observed a moment of silence and showed wonderful respect as we remembered those who have served for others.

How to help you child:

Autumn is a wonderful time to explore the outdoors! Go for a walk together, collect colourful leaves, listen to the crunch under your feet and talk about what you can see, hear and feel. Encourage your child to describe the leaves using sentences rather than just words *e.g. The leaves are crunchy when I step on them.* Ask open-ended questions to spark conversation and build vocabulary *e.g. What can you hear as we walk.* These simple, language-rich experiences help develop communication and language skills through everyday fun!

Have a wonderful weekend.

Miss Morris, Miss Berger and Miss Appleton
