Nursery News

What a lovely week in Nursery! The children have been developing their independence by practising putting on their warm items of clothing. They have also been learning about woodland animals and exploring the festival of Diwali with Mrs Orwin. There was great excitement when the children started to learn about the very first Christmas, with a focus this week on the story of the angel visiting Mary. Lots of exciting learning and exploring! Well done Little Stars!

How to help you child:

Autumn is a wonderful time to explore the outdoors! Go for a walk together, collect colourful leaves, listen to the crunch under your feet and talk about what you can see, hear and feel. Encourage your child to describe the leaves using sentences rather than just words *e.g. The leaves are crunchy.* Ask open-ended questions to spark conversation and build vocabulary *e.g. What can you hear as we walk?* These simple, language-rich experiences help develop communication and language skills through everyday fun!

Have a wonderful weekend.

Miss Morris, Mrs Fitzsimmons and Miss Makin
