Year 3 Class Blog 13.11.2026

Hello adults,

We have had lots going on in Year 4 since the start of this half term! As this exciting half term begins the children have taken part in lots of interesting opportunities as well as learning so much already!

In Maths we have been working hard on our times tables, the children have been developing a quick and confident recall of multiplication facts. Although our Multiplication Tables Check is later in the academic year, regular practice makes such a difference. So please encourage your child to spend a little time practising at home.

We had an interesting start to our writing topic where the children got to imagine that they were in a circus and even got to try some sweet popcorn!

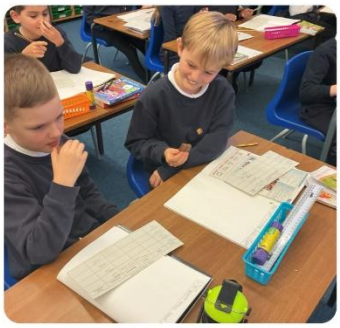

In our DT topic we also had the opportunity to sample different types of biscuits and describe their texture, appearance, audience, and most importantly taste!

****PE NEXT WEEK****

Next Wednesday 18 November the school photographers will be taking whole class photographs.

PE is therefore cancelled on Wednesday 18 November and we request that ALL children come to school in full uniform.

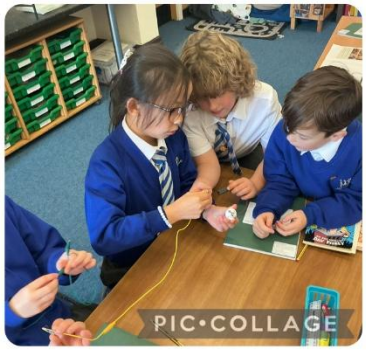

Please take a look below at some of our highlights so far!

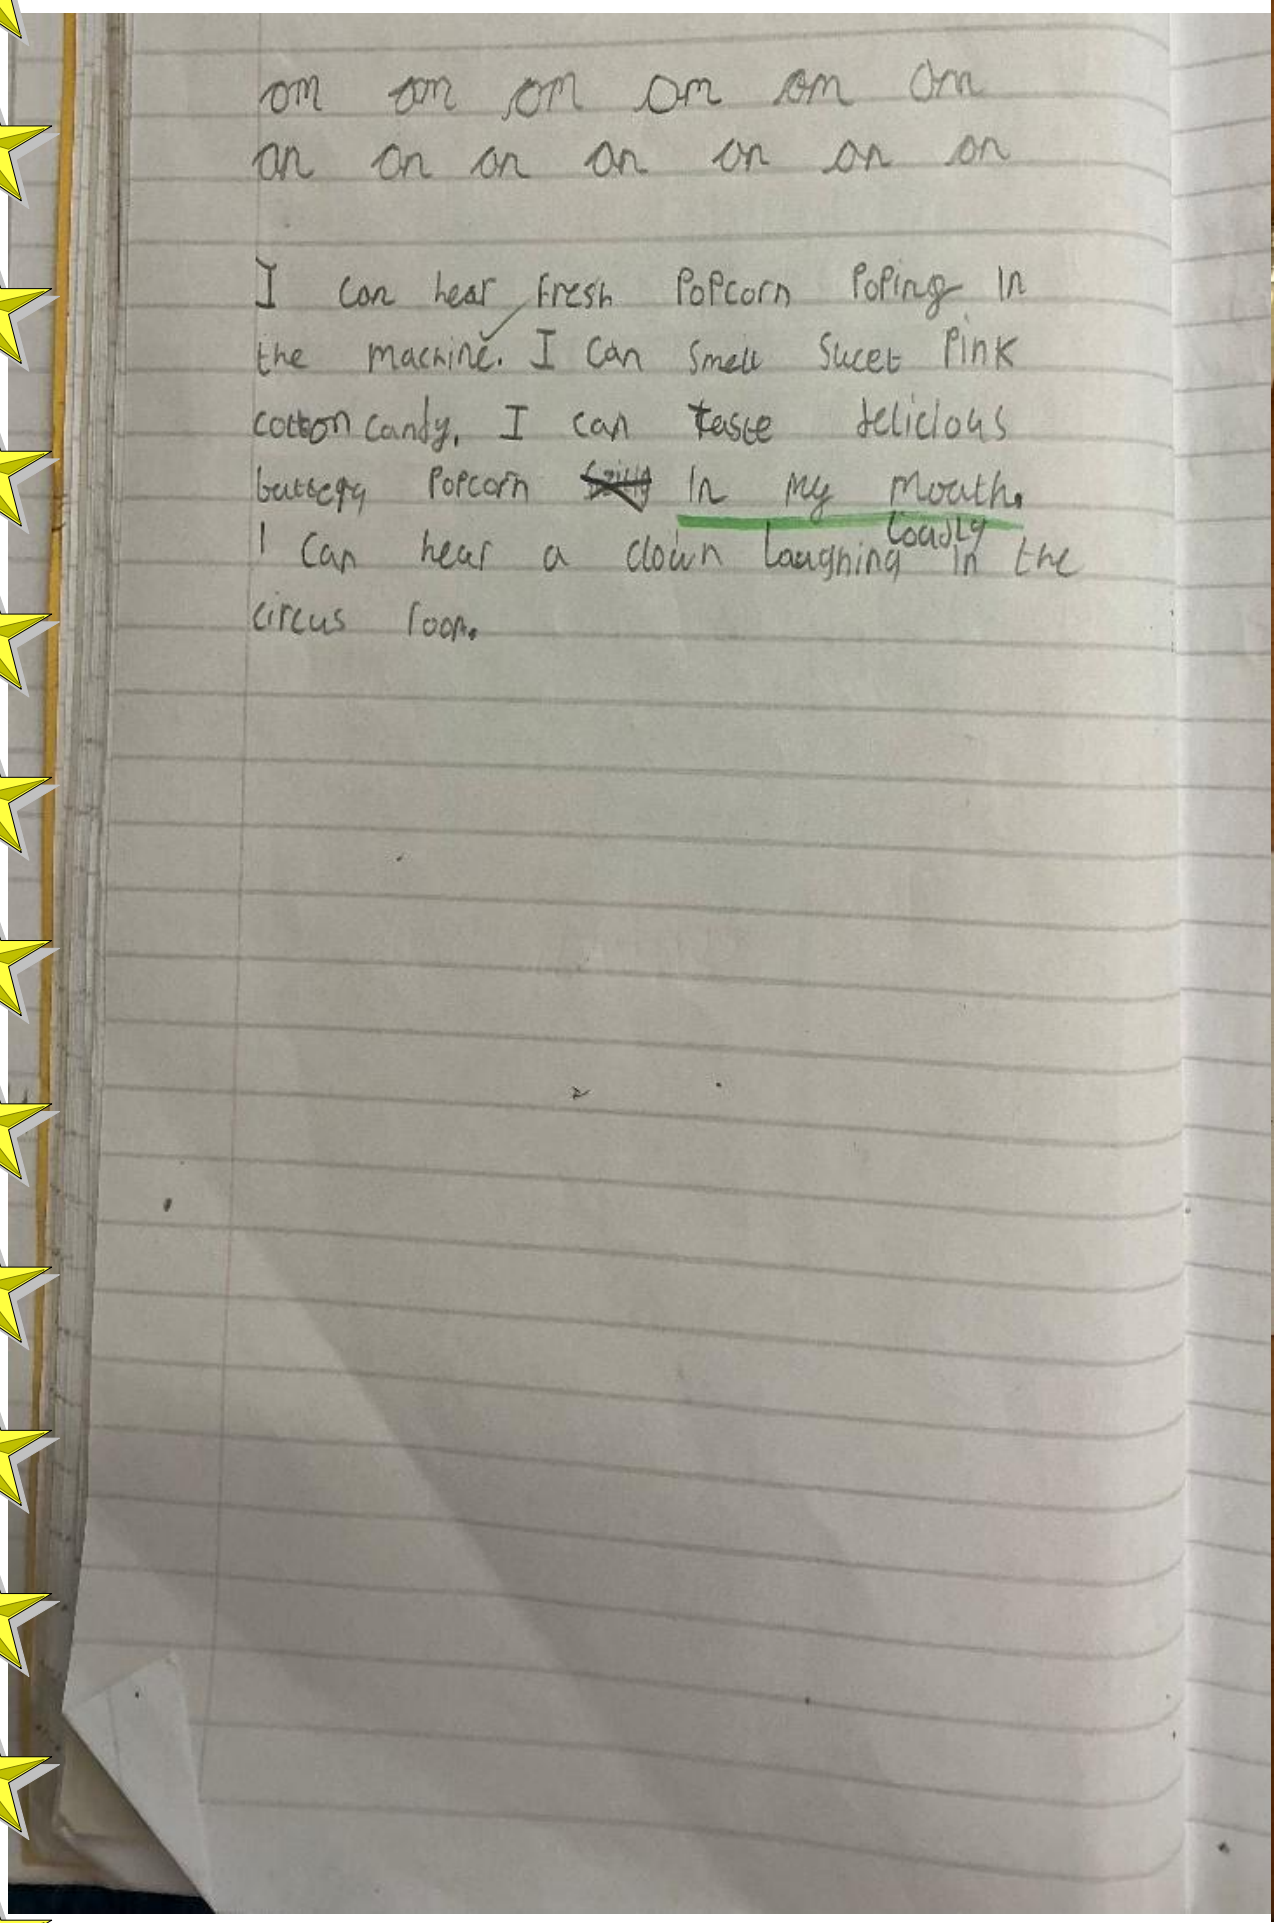

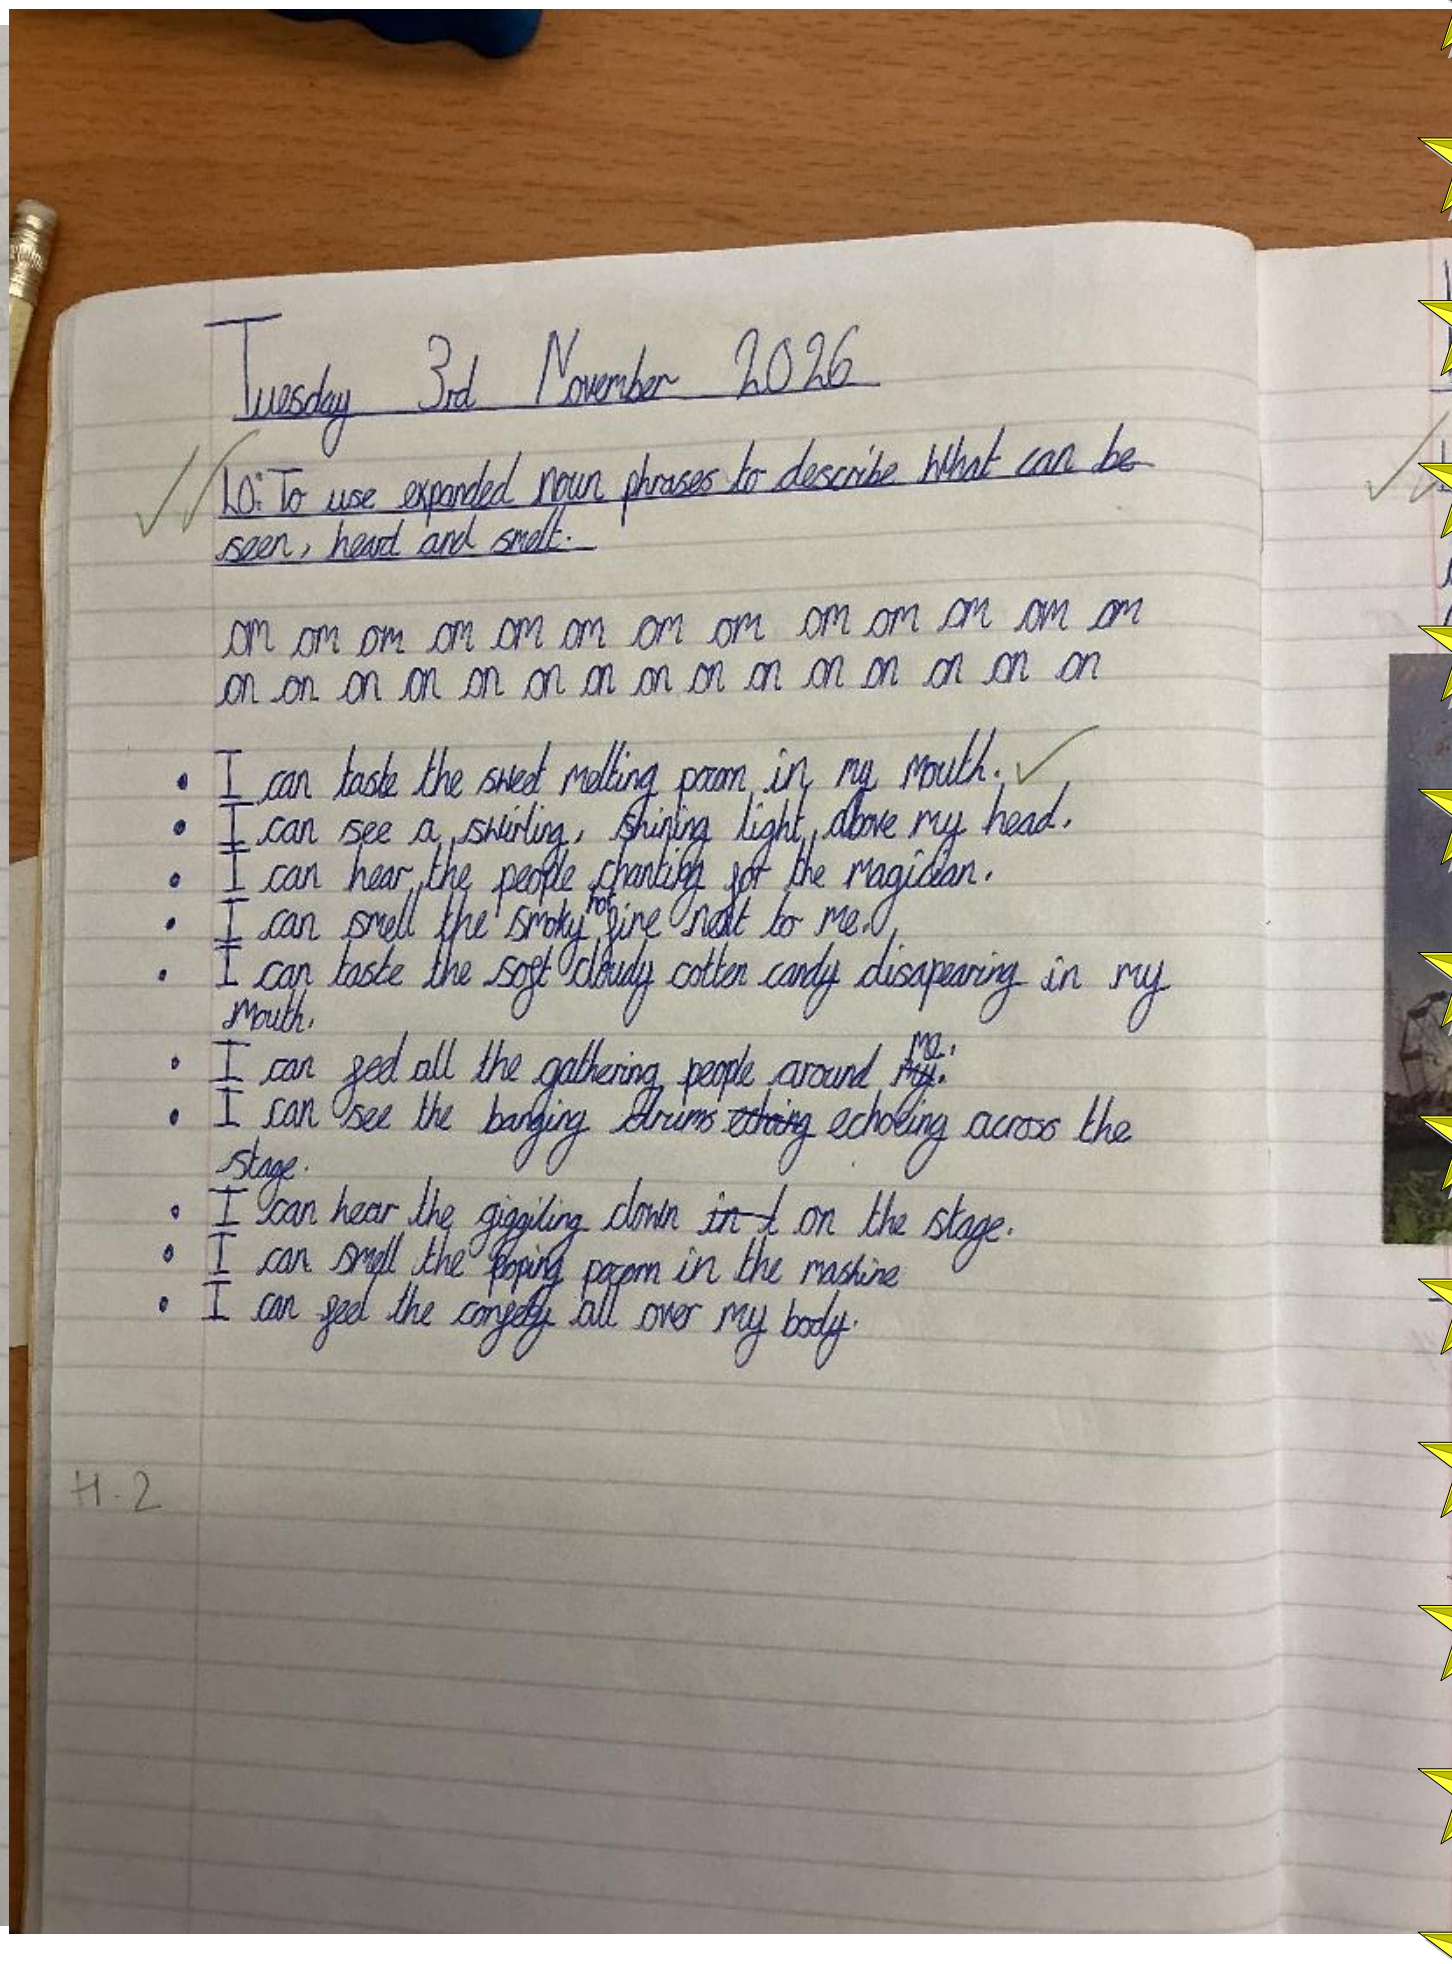

PIC•COLLAGE

Many thanks,

Miss Jones.
