

Hello to all of my lovely year four class!

I've been reminiscing (thinking back) over our year together... we started with saving the planet together and we have ended by protecting the world - staying home and staying safe.

What an unusual year it has been! I thoroughly enjoyed your company during our time together from September to March and know how hard you worked for me in our months together. Well done!

I have been delighted with and overwhelmed by your positivity and hard work during lockdown. Thank you for your fabulous photos - showing me how you and your families have stayed safe and enjoyed doing new, interesting things together. From dance routines to cake recipes; family trees to gardening projects. It's been wonderful staying in contact with you all. I am so looking forward to seeing you all in September, oh how you will have grown and you'll have so many stories to tell.

Now it's time for the summer holidays... time for you to relax and have fun; to make mums and dads glasses of lemonade; to run in the parks; to watch the stars and enjoy mornings.

I wish you all a very happy summertime from Mrs Armitage, Me and my family too.

From Mrs Foy xxxx
